

COACHING AND MENTORING QUALIFICATIONS AT LEVELS 5 AND 7

Introducing a new progression pathway at Brookes

Oxford Centre for Staff and Learning Development (OCSLD) and International Centre of Coaching and Leadership Development are partnering to offer practitioner qualifications accredited by the Institute of Leadership and Management (ILM) at levels 5 and 7.

From there you can progress to our flagship MA in Coaching and Mentoring Practice with credit, or you can take your new qualification into the workspace in the knowledge that you have achieved one of the UK's most coveted coaching/mentoring awards.
